

Dear FCC,  
Please put a stop to the politically biased program that is due to air soon called "Stolen Honor" I do not believe we are allowing something this blatantly partisan untruths to be aired on national television. I am shocked and ashamed of Sinclair Broadcasting, and I am displeased with the fact that they are allowed to show this.

Please take this off the air, I am an educated citizen and I know that this wrong and should be illegal, if it isn't already.

Thank you,  
Jodi Peterson
